We ask that you leave your dog in your vehicle when you arrive, come to the table and check in. Someone will administer drops for eye exams.

Please potty your dogs to the left of the driveway, not in the areas on the house side. These areas will be marked. All dogs must be kept on leash at all times. No dogs are allowed in the training ring. As a reminder and courtesy of others, pick up after your dogs.

We look forward to seeing you!!!
